

SECTION 21: STATE IMPLEMENTATION PLAN (SIP) SUBMISSIONS

The administrative authority will revise the I/M SIP for submittal and approval by the EPA as the EPA promulgates further regulations regarding I/M programs. The current interagency agreement between the DPS and the LDEQ, which expires June 30, 2006, has been included in the SIP (Appendix I). This interagency agreement, which is renewed annually with an effective date of July 1, will be modified as needed to include future program requirements.
